November 2023, Issue No. 9

YOUR HOMETOWN PHARMACY

CITY DRUG, YOUR HOMETOWN PHARMACY SINCE 1889

Service Highlight

Senior Center Meals On Wheels Donations

This Christmas season, we are excited to bring new life to our Meals on Wheels fundraiser!

Place your ornaments on the tree in City Drug (Evanston) and/or City Drug of Bridger Valley and we will donate $1 for EVERY ornament placed on our tree before Christmas to the Senior Center Meals on Wheels program.

Let's help our beloved seniors this Christmas season.

Come to 131 10th Street, Evanston or to Benedict's in Mountain View to City Drug and give the tree an ornament!

Employee Highlight

Jordan Bowie, Pharmacy Tech in Training

Although Jordan was born in Washington, she has lived in Evanston since the young age of 3 with her family. She lives with her amazing partners, goofy Collie and sassy Bulldog. In her spare time, she loves playing music and training dogs. Recently graduating Animal Behavioral College, she has goals to open an animal daycare and lodging facility to benefit the community and its pets. In her studies, Jordan found she was very motivated and fulfilled by watching others set goals, succeed, and thrive! While she is new to pharmacology, her love for behavioral science offers an understanding perspective for anything you may need help with. She may not know all the answers to your questions but is dedicated to finding a solution that best fits you and your goals. She is excited to start her path in the industry and says she couldn't be part of a better team and community!

Supplement Highlight

PROMega-3:

PROmega-3® is a high-concentration fish oil sourced from waters off the Chilean coast. PROmega-3 provides 820 mg of eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA) as well as 50 mg of docosapentaemoic acid (DPA) per soft gel as natural triglycerides, the preferred form with superior absorption. This exclusive fish oil is purified, vacuum distilled, and independently tested. With over 10,000 published studies in the last three decades, EPA and DHA from fish oil are among the most researched natural ingredients available and have a long history of safety and efficacy.
